WHO IS FILOXENIA?

Filoxenia have vowed to bring a vibrant cultural experience into the hearts of every crowd they play for. This Modern Greek sensation create a sound that ranges from the traditional sounds of the Greek village, to the party islands of the world. They bring the passion of professional performance, nuanced by years of cumulative experience in the industry to private events and commercial arenas, creating fire with the feet of their audiences who just can't get enough.

Their sound is ingenious, seamlessly mixing together (George) the rhythms of live drums (Arky) with the melodies of the Greek bouzouki (Greg) underpinned by a vast variety of classic greek hits and EDM bangers.

FILOXENIA'S BIGGEST MOMENTS

Since their establishment in 2018, Filoxenia have performed at events across Australia and have supported some of the biggest artists globally including INNA and Nikiforos.

The band has also played at the most prestigious clubs in Sydney including The Ivy, Seadeck, Metro Theatre, Marquee and more.
